

An INVITATION you can't resist!

Starting right now, come give close harmony, barbershop style singing a try. There is no obligation to join Harmony Central until you decide you are ready. Plan to commit just one evening a week to participating in the music, the fun and the friendship.

"I like to sing but have only my church choir or high school groups for experience," you say. As it turns out, that's the case for most of our members. Of course we have our share of trained musicians as well.

At the present time, we are preparing for a joint Christmas performance with the Pride of Iowa, our local men's BBS chorus, as well as starting to perfect our contest package for April.

We are so excited about our new rehearsal site in Merle Hay Mall. It is located just outside of the north entrance to Target in Suite 208. It is very user friendly.
